

**Ferguson Bath, Kitchen and Lighting Gallery
Presents our inaugural
“Designer University”
Thursday, January 28, 2010
9:00 AM - 12:00 Noon**

Earn a PhD in Bath, Kitchen and Lighting in 3 hours!!

Our Ferguson “Designer University” is a dynamic series of three, 40 minute presentations aimed to educate and inspire our designers for success in today’s changing market!

Steamist

Mr. Fred Fedewa, Steamist National Sales Training Manager, will provide a highly interactive and fun presentation. At the conclusion, a designer will be able to confidently make a steam shower presentation to a client, design a steam shower system, and describe the latest in bathroom/shower trends. www.steamist.com

Progress Lighting

Mr. Bob Fletcher, with 26 years of experience in residential lighting, has been instrumental in working with the California Energy Commission and the writing of the Title 24 Building Codes. Bob will be “enlightening” our designers on the most recent codes in a very simple and understandable format. www.progresslighting.com

Waterstone Faucets

Ms. Darcy Kuran, Waterstone Faucets Owner, will deliver a very dynamic discussion on topics including “Suiting kitchen faucetry to match the kitchen and its key elements in design, style and finish,” “Learn how the hand finished Waterstone Faucets ‘fit’ the designer, installer and end user” and “Compelling reasons for everyone to select and specify American made products!” www.waterstoneco.com

Breakfast and lunch will be served!
