

Website Sponsorship Opportunities 2009

Be a sponsor at nkba-socal.org and reach the 500 + members who use our website. The site allows members to register for upcoming chapter events, read about industry news, and learn about employment opportunities.

Website sponsorship includes your logo and a link to your website. Your contact information will be listed below your logo. Not only will you be featured on our sponsorship page, but all our sponsors' logos will flash on our homepage.

Our 2009 sponsorship rate will be \$250.00. Try it for the first six months at \$150.00 January 1st through June 31st. Once you see it works pay only \$100.00 for July 1st through December 31st. Receive the second six months at a discount! Total yearly rate is \$250.00.
